

# Model **1114BL-4** | 4-Position Listening First™ Listening Center

**This bright and fun-colored Listening Center will help engage your students. Made to fit younger children, the headphones and jackbox are designed for use in stereo-based (computer) activities. It is ideal for use in ELD / ELL, Title 3, and Special Education programming in classes with high student to computer ratios.**

- Rugged ABS plastic construction for safety and durability in high-use situations
  - PC and Apple compatible
1. Four Listening First™ headphones whose features include: Adjustable headband, permanently attached cord with reinforced connection, 5.5' straight cord with right angle plug to reduce accidental pull-out, ambient noise-reducing earcups keep students on task and lower outside noise
  2. Protective slotted baffles within the earcups prevent accidental damage from prying fingers & foreign objects
  3. Mini Stereo Jackbox features include: Silver-plated contacts prevent "crackling" sounds, individual volume controls, skid-resistant pads at each corner won't mar or scrape surface, 3.5mm stereo plug with detachable 6' patch cord (not shown) connects with media players
