This durable 8-position Listening Center connects with media players to expand classroom learning opportunities. Its rugged and dependable headphones, carry/storage case and jackbox are constructed for individual and group tutorials, literacy groups, language lessons, story-time activities, Special Education, ELL/ELD learning applications.

1. Rugged Polypropylene Carry/Storage case
   - Holds entire listening center contents
   - Impact resistant
2. Eight 2924AV Monaural headphones
   - Fully adjustable, noise-reducing earcups made with rugged ABS plastic for added durability
   - Replaceable cord
3. 8-position 1218AVPY Monaural jackbox
   - Silver-plated contacts eliminate “crackling” sound when connecting headphones
   - Individual volume control for each listening station
   - Comes with 1/4” and mini plugs for versatility
   - One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools
