12-Pack of Listening First™ Stereo Headsets

Model 2810AV-12L

Help your beginning reader succeed with their read-alongs with this fun & engaging Listening First classroom headset pack. Purpose built for younger students and loaded with added safety features, the Bear, Tiger and Panda-themed headsets (4 each) are ideal for individual and small group language learning & literacy activities using MAC & Windows-based computers.

1. Adjustable headband for personalized fit
2. Smaller overall headband to fit younger children
3. Rugged ABS plastic construction for classroom safety
4. Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
5. Volume control for individual preferences
6. Dual 3.5mm plugs connect with a computer or a jackbox
7. Flexible electret microphone
8. Ambient noise-reducing earcups lower outside noise so volume does not need to be as high for hearing safety, keeps students more on task
9. Protective slotted baffles inside the earcups cover the speakers and help prevent accidental damage from prying fingers & foreign objects

- Two-year warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools.
