OF EDUCATION

## Classroom Ten-Pack of Multimedia Stereo Headsets

Model 3064AV-10L

An ideal companion for computer-based digital classrooms, this ten-pack of light-weight multimedia stereo headsets is designed for skyping and podcasting, distance learning, language learning applications, computer labs, general listening and gaming uses.

1. Fully adjustable headband fits all students
2. Replaceable leatherette ear cushions
3. Permanently attached straight cord with reinforced connection resists accidental pull out for classroom safety
4. Omnidirectional electret mic on flexible gooseneck
5. 8' cord for extended reach with 3.5mm mini plugs
6. Recessed wiring resists prying fingers
  - Windows and Mac compatible
  - Lightweight design for comfort
  - Warranty for school use - unlike headsets from consumer electronics stores whose warranties would be voided if used in schools
