

THE SIGHTS & SOUNDS
OF EDUCATION

Deluxe Cassette Recorder/Player

Model CAS5272

The CAS5272 Cassette Recorder/Player is built for reliability in demanding school environments. Ideal for ELL, ELD and foreign language applications, its 7 built-in headphone jacks are for individual and group listening centers. Its Directional Sound™ feature is ideal for presentations because it distributes sound out to the audience, not up at the ceiling.

1. 10W RMS amplifier loud enough for classes up to 75 people and can be used for public address. "Directional Sound" feature projects out to audience instead of up at the ceiling.
2. 2 x 3 digit counter keeps track of key lesson points on tape
3. Rugged ABS plastic casing and handle for added durability and is safe for school use
4. Auto stop extends useful life of cassette tapes
5. Separate tone and volume controls
6. Built-in electret mic can't be lost or misplaced
7. 3.5mm mic & 2.5mm remote dynamic mic inputs
8. 1/4" auxilliary input connects other media players
9. Total of seven 1/4" headphone jacks for group learning
 - Auto Logic Control (ALC) for level audio recording
 - Runs on AC/DC power for indoor/outdoor uses
