

PresentationPro Mounting Bracket

Model MB-PA3W

The rugged MB-PA3W mounting bracket is designed for use with the *Califone* PresentationPro 310 wired and the PA329 wireless speakers.

The MB-PA3W offers full flexibility for optimal acoustic targeting of the PresentationPro. It delivers 180 degree horizontal rotation along with a 90 degree vertical movement.

This rugged two-piece bracket secures the PresentationPro via three contact points including the 4" pole extrusion up from the bracket into the a recess in the speaker.

The carbon steel bracket includes all of the necessary hardware to mount the PresentationPro speaker for wall mounting.

1. Bracket tube secures into speaker
2. Holder for speaker's external power supply
3. 90-degree vertical movement
4. 180-degree horizontal movement
