Superior™ Single Ear Headset

Model SA370

The innovative Superior Single Ear Headset offers the ability to listen to content but still hear what's going on around you. Its comfort-sling headband & deep over-ear earcup make this headset ideal for backstage, on-field and classroom uses.

3. Ambient noise-reducing earcup lowers outside noise so volume does not need to be as high for hearing safety, and helps keep students more on task
4. Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
5. Dual 3.5mm plugs
6. Volume control for individual preferences
7. Uni-directional microphone
